For students **not** returning to Northern next year, please check off the box below and indicate your destination for September 2017.

ANOTRT Destination: _____

INSTRUCTIONS FOR SELECTING 2017-2018 COURSES:

- ◆ Students should put a check mark in the box next to each course they intend to take next year, and list **two alternative choices** in the spaces provided on the back page. In the event of a timetabling conflict, the guidance counsellor will select one of these courses for your timetable.
- ◆ Students go on-line to www.myBlueprint.ca/tdsb/ and select their courses using this course selection sheet as a guide. Include two (2) alternative choices.
- ◆ Print out the myBlueprint selection sheet.
- ◆ Parents sign BOTH the myBlueprint selection sheet AND the Northern Secondary School course selection sheet.
- ◆ Return BOTH to your homeform on Tuesday, February 21, 2017. After 9:00 a.m., you will no longer be able to activate course selection on myBlueprint.
- ◆ Students are strongly encouraged to discuss the 2017-2018 course selection process with their parents and seek input from Guidance counsellors and current teachers.
- ◆ For course descriptors, prerequisites and/or recommended courses, students and parents should go to <http://www.tdsb.on.ca/HighSchool/Guidance/Choices.aspx>, click on Course Charts, enter the school year and click on the subject.
- ◆ The Course Selection Sheets which follow are organized by grade. However, **please note** that some courses are available to students in other grades.
- ◆ Please note that access to “**boxed**” courses offered by the Gifted, Special Education, and Deaf & Hard of Hearing departments is **limited** to students presently assigned to these programs.

Please note: Once classes begin in September, timetable changes are only permitted for:

- 1. Students who have completed a remedial course and therefore require a timetable change.**
- 2. Students who have successfully completed a full-credit Summer School course and want to drop a course. Please select courses wisely in consultation with current subject teachers.**

A reminder to all students that 40 Volunteer Hours and completion of OSSLT are required to graduate.
